

Race Calendar

Red: highest priority; wrong category, wrong date and race should be deleted (2, see explanation)

Orange: high priority; races are not part of the UCI calendar (national, criterium, amateur, etc.)

Purple: medium priority; ALL missing 2.1 and 1.1 races (7), then we have them all ;)

Green: medium priority; correct race names and the "look and feel" is better (my subjective opinion ;)

Black: lowest priority; not in UCI calendar (?) => i don't know why (no resources found in internet)
not raced in 2016 => i know why or found proves for it (money, ...)
